Milano, April 16, 2019 – WIIT S.p.A. ("**WIIT**" or the "**company**") announces the signing with the Tax Agency of a preliminary agreement for the application of the "Patent Box" tax break for the five-year period 2015-2019, with the option to extend this benefit to the following five-year period 2020-2024.

The Patent Box supports enterprises producing income through the direct and indirect use of intellectual property, patents, software and other intangible assets. This tax break is renewable.

The tax benefit for WIIT over the 2015-2019 period will be fully reflected in the 2019 results and quantified on preparing the relative financial statements. Categorisable income in the first period of 2015/2018 is estimated at approx. Euro 7.7 million.
