

PRESS RELEASE

Communication on the Purchase of WIIT Shares by Enrico Giacomelli – Chairman of the Board of Directors

Milan, 26 August, 2025 – WIIT S.p.A. ("WIIT" or the "**Company**"; ISIN IT0005440893; WIIT.MI), one of the leading European players in the enterprise Cloud Computing market, focused on the provision of continuous Private and Hybrid Cloud services for critical applications, announces that on **August 22, 2025, the Chairman of the Board of Directors, Enrico Giacomelli, purchased**, outside of the trading venue, **160,000 ordinary WIIT** shares at a price of Euro 18.1 per share, for a total value of approximately **Euro 2.9 million** (for further details on the transaction, please refer to the Internal Dealing disclosure published on August 25, 2025).

"I decided to make this important investment because I am convinced that, given WIIT's European leadership position, the virtuous growth path undertaken and, above all, such strong fundamentals, the share price today does not reflect the Company's true value and therefore represents an excellent opportunity. Data sovereignty is gaining increasing importance in Europe and I am certain that this trend will further accelerate WIIT's development, already recognized as a leading player in the sector" **Said Enrico Giacomelli, Chairman of WIIT.**

WIIT S.p.A.

WIIT S.p.A., a company listed on the Euronext Star Milan ("STAR") segment, is a European leader in the Cloud Computing market. It operates in key markets such as Italy, Germany, and Switzerland, positioning itself among the main players in providing innovative technological solutions for Private and Hybrid Cloud. WIIT operates through managed processes, specialised resources and technology assets including proprietary data centres spread across 7 regions: 4 in Germany, 1 in Switzerland and 2 in Italy, 3 of which are Premium Zone enabled i.e. with guaranteed high availability, maximum levels of resilience and security by design; two of these host data centres certified Tier IV by the Uptime Institute. WIIT has 6 SAP certifications at the highest level of specialisation. Its end-to-end approach enables the company to provide its partner companies with customised, high value-added services with the highest security and quality standards for the management of critical applications and business continuity, while guaranteeing maximum reliability in the management of the main international application platforms (SAP, Oracle and Microsoft). Since 2022, the WIIT Group has joined the UN Global Compact. (www.wiit.cloud).
