WIIT:

New five-year contract signed in Germany by WIIT AG for a total value of Euro 7.5 million with a leading provider of Cloud Gaming platforms

Düsseldorf, 28 November 2023 – **WIIT S.p.A.** ("WIIT" or the "Company"; ISIN IT0005440893; WIIT.MI), one of the leading European players in the market of Cloud Computing services for enterprises, focused on the provision of continuous Hybrid and Private Cloud services for critical applications, has signed a five years contract in Germany with a new customer in the Cloud Gaming industry for a total value of Euro 7.5 million.

The customer, one of the world's largest providers of cloud gaming platforms, has selected WIIT as its Premium Cloud partner for their market entry in Germany. By utilizing the premium cloud provider's high-performance and scalable services, the customer is laying the foundation for further growth in Europe. The cloud gaming environment is a growth market in Germany and worldwide, as more and more users appreciate the benefits of seamless access to high-quality, high-performance games without having to purchase expensive hardware.

Christoph Herrkind, CEO of WIIT AG, said: *"The cloud gaming market is a dynamic and innovative environment with a continuously growing market volume. Our long-term contract with one of the largest providers in the market underlines the confidence in the quality of our reliable and scalable services. We look forward to supporting our new customer as a partner and enabler in the deployment of their platforms and their future growth."*

Alessandro Cozzi, CEO of WIIT, said: *"We are delighted to be able to offer our range of world-class and secure cloud services to a customer whose industry is particularly focused on high GPU performance and low latency. With our reliable Private Cloud data service centers operated by Region Central Germany, the cloud gaming platform provider and its customers can look forward to a smooth 4k gaming experience in the future."*
