

PRESS RELEASE

Supplementary Press Release on Five-Year Contract for Cloud and Cyber Security Services with a Major Client in the Manufacturing Sector Issued Today:

The total contract value of approximately 2.6 million euros includes 2.0 million euros in new services.

Milan, October 31, 2024 – WIIT S.p.A. ("WIIT" or the "Company"; ISIN IT0005440893; WIIT.MI), in addition to the previously issued press release, highlights that the client has renewed its commitment to Cyber Security services for the next five years, expanding these services to cover all global subsidiaries within the group. Concurrently, the client has launched a new project to migrate all critical applications for its group companies in Europe and the United States to the Cloud. The client has chosen to leverage the highest level of security offered by WIIT's Secure Private Cloud model, utilizing the premium regions of Italy North West (Milan) and Germany West (Düsseldorf), both of which are based in Tier IV Data Centers.

The new Secure Private Cloud project alone is valued at over 2.0 million euros within the five-year contract period.
